

# Newstead College Tutorials

Newstead College teachers offer pre-tertiary subjects are available to offer extra assistance to students outside of class time as indicated in the timetable below. This assistance could involve assignment work help, further explanations of theory taught in class and additional practice of past examination questions. Tutorials are necessary for students who have missed classes and need to catch up, and also for those who might be experiencing difficulty with aspects of a course and therefore are not achieving as well as required.
