To be eligible for selection, students must reside in the northern region of Tasmania and priority of applicants will be based on student's home distance from Launceston. Generally, students from Flinders or Cape Barron Island, East Coast and North-East Tasmania are prioritised.

Seven-day accommodation is only available for students from Flinders Island or Cape Barron Island. Five-day accommodation (Sunday evening to Friday morning) is available to all other students.

As well as distance, the following criteria will be used to assess student's eligibility for selection:

This includes collecting the student if ill or there is a behavioural problem, and the student is required to go home asap.

Students enrolled in courses associated with apprenticeships or traineeships as part of their full-time study are not eligible.

Year 13 students and independent students are not eligible.
